WHO IS KESSLER

Kessler are direct importers and distributors of high quality plumbing products and accessories. We supply direct to wholesalers, hardware stores and buying groups. We have a collective experience since 1999 and strive to provide the service and expertise you expect.

To provide customers with a quality Plumbing equipment in order to make a contribution towards the “job creation” in Africa. To supply Plumbing equipment and accessories to wholesalers at a reasonable price for them to re-sell.

We are always innovating creating products at different levels of the requirement scale from affordable to high-end products that will full-fill any of your and clients requirements and standard.
